I understand that by joining the CARFAX Service Link program, I authorize the release of information, including VIN or license plate with state, date, mileage, and repair order information, from my service records to CARFAX directly or through my SMS provider for perpetual use in CARFAX Vehicle History Services. In return, my business will receive FREE advertising after CARFAX receives my applicable contact information to create it for me. I understand that the advertising may be delayed or withheld for my archived records or records I provide without a VIN. CARFAX will also be providing my business with VIN information for certain records that I have provided with accurate license plate, state, and other vehicle information. In return, I agree not to provide my records or make my records available to any other commercial provider of vehicle history information. I understand that if I do provide or make my records available to another commercial provider of vehicle history information, CARFAX will no longer be obligated to provide the VIN information or the free advertising described above.

CARFAX will only use vehicle-specific information and will not use personal information about my business or my customers. I acknowledge that my business location's name, address, telephone number and website address (if applicable) shall be published on CARFAX reports in connection with the information provided as described above so long as I continue in the Service Link Program.

I also understand that CARFAX relies on its sources for the accuracy and reliability of their information, and therefore can only assume responsibility for data from my business that is accurate, complete and reliable. However, should I discover that erroneous information was delivered by my business, and notify CARFAX of the error(s), CARFAX will work with me to correct the erroneous information. The Service Link program is subject to change or termination at any time in CARFAX's sole discretion.

CARFAX shall have no liability for any loss or damage (i) caused by errors or omissions in VIN information provided hereby, (ii) resulting from errors in transmitting the VIN information, or (iii) resulting from any use of the VIN information, including any indirect or consequential damages.
