ISI Central

Flexible, *Web-Based* Reporting - Anytime, Anywhere.

ISI Central is your web portal to a secure, hosted warehouse of LubeSoft® data from your stores. It manages the collection of near real-time and nightly data allowing you to transform your store data into a variety of meaningful reports.

- » Pre-Built Report Templates
- » Customize Existing Reports
- » Format Graphs & Charts
- » Report Scheduling

Real-Time, *Mobile Data* at Your Fingertips.

With real-time stats designed specifically for iPhone®, iPad® and Android™ devices, you can manage your operations from anywhere.

- » Save Time by Staying Mobile
- » iPhone®, iPad® and Android™ Compatible
- » Real-Time Data - Anytime, Anywhere
