

Code Entry Interface

Retrieve **car wash codes directly** through LubeSoft.

LubeSoft integrates with most unattended car wash entry systems allowing you to sell car washes and lube items on a single invoice.

Let LubeSoft provide codes, track employee sales and close the audit loop. Benefit from increased security of tracking car wash transactions sold in LubeSoft.

Code Entry Interface (CEI) is a low-cost solution that harnesses the power of the leading fast lube POS for your in-bay automatic car wash. Brought to you by the market leader in fast lube and car wash POS management systems.

Benefits & Features:

- » LubeSoft Integration
- » Affordability
- » Car Wash Code Prints Directly on Invoice
- » Speed and Convenience
- » Increased Security and Accountability
