

Mobile Greeter

Meet & Greet Your Customers.

Mobile Greeter, LubeSoft's newest mobile innovation gives you the ability to meet and greet your customers on-the-go.

Quickly greet customers by name, anywhere in your shop. Take your greeting to the next level by going mobile!

Now you can greet customers before they enter your shop - while they're still in the car!

Features & Benefits

- » Edit or Add Customer Information such as Name, Address, Phone, Email Address
- » Easily Select Services for Today's Visit
- » View Initial ESM Information such as Oil Viscosity and Grade information, ESM Parts, Tire Pressure
- » View, add or edit Customer Custom Mileage Interval
- » Print Window Sticker and/or Graphical Service Review
