

ISI Bay Timer

Quickly & Clearly Display Bay Times

In today's world, customers expect to know what's happening and when it happens. Increase customer satisfaction and set accurate expectations with Bay Timer.

Give your customers an inside look into the status of their visit by displaying color-coded bay times.

- » Ultrasonic Sensor System automatically detects arrival, presence, and departure of vehicle
 - » Choose to display time counting Up or Down
 - » Bay times displayed on TV screens located in the bay area and/or waiting room
- *Green indicates within promised time*
 - *Yellow indicates within 5 minutes of expiring promised time*
 - *Red indicates beyond promised time*
