Mobile Cashier

Mobile Cashier Anywhere, Anytime

Use an iPad[®] to ring out customers anywhere in your shop.

All LubeSoft[®] tendering methods are supported and transaction review with signature capture is embedded within the standard workflow.

Mobile tendering integrates with ISIPay[™] payment processing and is paired with a cash drawer for cash/ check transactions.

Fully Featured Ring Out Process

- » ISIPay payment processing supports all major credit/debit cards (Visa, MasterCard, American Express, Discover)
- » Supports desktop LubeSoft cashier features like coupon/discount, fleet, club, tax exemptions, marketing prompts, etc.
- Review transaction details with customers prior to ring out

- » Capture customer signatures on the iPad for printing on invoices
- » Present customers with the option to print and/or e-mail invoices
